

Quality Certificates

Quality

Kingbrother has been always focusing on high-stable and high-reliable manufacturing with high quality operational management, introducing the complete quality management system and non-disclosure system. Kingbrother has been certificated with ISO9001 / ISO14001 / OHSAS18001 / IATF16949 as the quality system and UL / CQC / CCC on products. The central lab was qualified by CNAS and CMA, with good assurance to serve high-reliable requirements.

Honors

Applied for 200+ patents, 7 of them for PCT, and 60+ software copyright. Published nearly 100 S&T articles in both national and international core magazines. Took over 1 national project of "Industrial Strong Base", 6 provincial S&T projects, and 8 regional S&T projects.
